

The Adirondack

Finished Square Footage: 1,432

The Adirondack offers a well-proportioned and inviting home design, crafted for both everyday living and effortless entertaining. This residence features two large bedroom suites, each providing privacy and comfort with its own dedicated space. The expansive open kitchen serves as the centerpiece of the home, creating a seamless flow for gatherings and daily life. A covered front porch adds welcoming charm, while the attached one-car garage provides convenience. Completing the home is a 658-square-foot basement, offering valuable storage and flexibility for future needs. Thoughtfully designed and beautifully balanced, The Adirondack delivers refined living with timeless appeal.
